Online Nonimmigrant Visa Application (DS-160)

Application Information

Please record your Application ID in a safe and secure place.
If there are technical issues with the system, or you want to complete your application some other time, you can save your work and later, start where you left off. In order to access your application later, however, you will need: (1) your Application ID, and (2) the answer to the security question that you will choose on this page.

To choose a security question, pick the one you like the best from the dropdown list, type your answer to that question in the box below, and click “Continue.” Remember: In order to access your application later, you will need to know the answer exactly as you wrote it on this page.

You can also use your Application ID and security question to retrieve your Confirmation Page after you have submitted your application, or to use your previously provided application information to complete a new application at a later date.

If you do not plan to complete your application within the next 30 days, download your application to your computer by clicking the “Save” button at the bottom of the last completed page. Follow the instructions. When you are ready to complete your application, select “Upload an Application”. NOTE: Only download your application to a computer that cannot be accessed by anyone who does not have your permission to see or record your personal data. If you download your application a shared or public computer, such as a computer in a cyber café or library, your personal information may be able to be accessed by other users.

Note: Electronically submitting your DS-160 online application is the FIRST STEP in the visa application process. The next step is to review the Internet page of the embassy or consulate where you plan to apply for your visa. Most visa applicants will need to schedule a visa interview, though some applicants may qualify for visa renewal. The embassy or consulate information may include specific local instructions about scheduling interviews, submitting your visa application, and other frequently asked questions.
