Educational Outreach Program  
- Presented by the -  

Student Veterans Organization

The Northeastern University Student Veterans Organization is offering their time to speak to classes about their experiences.

This is a great opportunity for educator’s to add a unique perspective to their curriculum and for students to hear accounts, and ask questions about:

- The Wars in Iraq and Afghanistan
- Transitioning Out of the Military to Academia
- Military Life and Coping with Living Away from Loved Ones
- Asymmetrical Warfare
- The Female Experience in the Military
